503 South Locust Street  
Denton, Texas 76201

January 20<sup>th</sup>, 2012

Due to North Texas Health & Wellness Center's Medical Director, Dr. Mark Gibbs' 30 day resignation notice and the inability of our landlord, David Dennis of D-Quad Properties to fix our phone system, we are no longer able to see patients at this time.

Please go to our website at [www.ntxhealthandwellness.com](http://www.ntxhealthandwellness.com) to make any complaints known and to keep updated on our status from this time forward.

For the time being, we are referring our patients to FNP Sandy Lockwood, an excellent family nurse practitioner, Sandy can be reached at 940-566-3700 and is located in the Denton area.

We will continue to follow up on any patients that have results pending from any procedures and our Office Manager will continue to work on billing issues.

We apologize for any inconvenience, problems and frustrations you may have and thank you for your patience, understanding and support.

Connie McDonald, APN, FNP-BC

Jenn Baxter, Office Manager
